Picture reflects the key issues in the world today which are immediately relevant to the learners' worlds and experiences with striking real world images. These images provide a fresh, contemporary look and are at the centre of tasks, encouraging learners to work with and interpret them. Carefully structured discussion tasks encourage personalization, localization, and critical thinking, and complete functional language lessons develop conversation strategies and are applied to students' immediate world experience. Key Features Up-to-date, real-life, relevant contexts ground tasks and content in students' own world, allowing them to personalize and localize material. Language focus on real, useful language and high-frequency expressions, and are text, topic, and context driven. Functional Language and Final Task sections bring together the smaller pieces to help students see the big picture via practical, real-life tasks. A strong, systematic vocabulary building strand focuses on both lexical fields and vocabulary systems. Notice boxes draw attention to generative patterns and the living/changing nature of language. Avoidance/challenging of stereotypes – intercultural awareness foregrounded, e.g. inclusion of situations where no native speakers are present (as models for tasks). A move away from traditional UK and USA settings to more global contexts. An emphasis on global English , with a wide variety of non-native and non-standard accents in the audio program. Inclusion of different text types from the ELT norm – new genres (e.g. blog posts), literary texts, signs, etc. Digital Features VLE-based tracking- teachers can see how well students have performed on interactive activities and whether they have completed them. Student-focused social networking features- students will be motivated to use English in a format that has established popularity. A live website- content will be added and updated regularly, which will encourage users to return frequently. User-friendly- teachers can register their students to use the website independently, or they can integrate the content of the website into their teaching.

How to Draw Manga Furries Nov 24 2021 With *How to Draw Manga Furries*, you'll follow the lead of five professional Japanese artists as they show you how to bring dynamic fantasy characters to life—on the page or on screen! Furries are anthropomorphic characters—animals who have human traits (not to be confused with kemonomimi, or humans with some animal features!). They're widely popular in manga, anime and cosplay—from fan favorites like *Wolf's Rain* and *Lackadaisy* to the newer *Beastars* and *BNA: Brand New Animal*. The genre allows creators to be more imaginative, freeing artists from traditional human personality traits, actions and physical appearance. With the help of the expert authors, you'll learn to draw: Anatomically correct furry manga bodies, skulls, faces, appendages and tails with human proportions Characters based on cats, dogs, wolves, foxes, goats, birds, whales, sharks, crocodiles, dragons—and more! Furries seen from their most powerful perspective—from muzzle to rump to flipper tip Illustrations shown from many various angles with different poses, positions and movements And so much more! With this book as your guide, your imagination will run wild as you create memorable heroes, wicked villains and compelling sidekicks with your pen or on screen. *Recommended for artists 10 & up*
