[Introduction to Software Project Management](#) Jul 26 2019 Although software development is one of the most complex activities carried out by man, sound development processes and proper project management can help ensure your software projects are delivered on time and under budget. Providing the know-how to manage software projects effectively, Introduction to Software Project Management supplies an accessible introduction to software project management. The book begins with an overview of the fundamental techniques of project management and the technical aspects of software development. This section supplies the understanding of the techniques required to mitigate uncertainty in projects and better control the complexity of software development projects. The second part illustrates the technical activities of software development in a coherent process—describing how to customize this process to fit a wide range of software development scenarios. Examines project management frameworks and software development standards, including ESA and NASA guidelines, PRINCE2®, and PMBOK® Addresses open source development practices and tools so readers can adopt best practices and get started with tools that are available for free Explains how to tailor the development process to different kinds of products and formalities, including the development of web applications Includes access to additional material for both practitioners and teachers at www.spmbook.com Supplying an analysis of existing development and management frameworks, the book describes how to set up an open-source tool infrastructure to manage projects. Since practitioners must be able to mix traditional and agile techniques effectively, the book covers both and explains how to use traditional techniques for planning and developing software components alongside agile methodologies. It does so in a manner that will help you to foster freedom and creativity in assembling the processes that will best serve your needs.

[A Scrum Book](#) Oct 09 2020 Building a successful product usually involves teams of people, and many choose the Scrum approach to aid in creating products that deliver the highest possible value. Implementing Scrum gives teams a collection of powerful ideas they can assemble to fit their needs and meet their goals. The ninety-four patterns contained within are elaborated nuggets of insight into Scrum™s building blocks, how they work, and how to use them. They offer novices a roadmap for starting from scratch, yet they help intermediate practitioners fine-tune or fortify their Scrum implementations. Experienced practitioners can use the patterns and supporting explanations to get a better understanding of how the parts of Scrum complement each other to solve common problems in product development. The patterns are written in the well-known Alexandrian form, whose roots in architecture and design have enjoyed broad application in the software world. The form organizes each pattern so you can navigate directly to organizational design tradeoffs or jump to the solution or rationale that makes the solution work. The patterns flow together naturally through the context sections at their beginning and end. Learn everything you need to know to master and implement Scrum one step at a time—the agile way.

[A Guide to the Project Management Body of Knowledge \(PMBOK® Guide\) – Seventh Edition and The Standard for Project Management \(BRAZILIAN PORTUGUESE\)](#) Nov 02 2022 PMBOK® Guide is the go-to resource for project management practitioners. The project management profession has significantly evolved due to emerging technology, new approaches and rapid market changes. Reflecting this evolution, The Standard for Project Management enumerates 12 principles of project management and the PMBOK® Guide &– Seventh Edition is structured around eight project performance domains. This edition is designed to address practitioners' current and future needs and to help them be more proactive, innovative and nimble in enabling desired project outcomes. This edition of the PMBOK® Guide: •Reflects the full range of development approaches (predictive, adaptive, hybrid, etc.); •Provides an entire section devoted to tailoring the development approach and processes; •Includes an expanded list of models, methods, and artifacts; •Focuses on not just delivering project outputs but also enabling outcomes; and •Integrates with PMStandards+™ for information and standards application content based on project type, development approach, and industry sector.

[C Programming](#) May 04 2020 Provides instructions for writing C code to create games and mobile applications using the new C11 standard.

Synonymous with practical travel tips, quality writing and a trustworthy 'tell it like it is' ethos, the Rough Guides list includes more than 260 travel guides to 120+ destinations, gift-books and phrasebooks.

[Drugs & Society](#) Sep 27 2019 5 Stars! from Doody's Book Reviews! (of the 13th Edition) "This edition continues to raise the bar for books on drug use and abuse. The presentation of the material is straightforward and comprehensive, but not off putting or

complicated." As a long-standing, reliable resource *Drugs & Society, Fourteenth Edition* continues to captivate and inform students by taking a multidisciplinary approach to the impact of drug use and abuse on the lives of average individuals. The authors have integrated their expertise in the fields of drug abuse, pharmacology, and sociology with their extensive experiences in research, treatment, drug policy making, and drug policy implementation to create an edition that speaks directly to students on the medical, emotional, and social damage drug use can cause.

A Therapist's Guide to Growing Free Jan 24 2022 Help victims and survivors break the cycle of abuse! Trying to get victims and survivors of domestic abuse to recognize their own victimization can be a frustrating experience. They often become so frightened, isolated, and self-doubting that they make excuses for the abuser. Combining psychological insight with practical safety information, this book helps therapists guide their clients into understanding--and ending--the vicious cycle of wooing, tension, violence, and remorse. *A Therapist's Guide to Growing Free* provides a comprehensive outline of the issues, tasks, and goals involved in the treatment of victims and survivors. Its chapter-by-chapter breakdown of how violent relationships function and how to end them safely can help you guide a traumatized woman through her therapeutic journey. The guide's companion volume, *Growing Free: A Manual for Survivors of Domestic Violence* is the perfect handout for clients in individual therapy, group therapy, and battered women's shelters. Reading stories like their own may provide the shock of recognition they need to be able to understand--and eventually to end--the cycle of violence that characterizes all levels of domestic abuse. It outlines a series of steps they can take to ensure their emotional and physical safety. Its stories of women in abusive relationships and discussions of the cycle of abuse are direct and easy to read without ever being condescending. *A Therapist's Guide to Growing Free* provides the insight and therapeutic models needed for effective intervention and treatment, including: psychological effects and belief systems of victims and survivors discussions and illustrations of the cycle of violence the effects of domestic violence on children and adolescents the therapeutic challenges of couple/conjoint therapy handling crisis intervention suggestions for conducting group and therapeutic therapy for victim and batterer *A Therapist's Guide to Growing Free* and its companion volume provide both therapists and clients with a practical, action-oriented approach to the problem of domestic violence. It is ideal training and reference material for counselors at women's shelters, emergency room personnel, law-enforcement officers, and other professionals involved in the rescue, support, defense, and treatment of victims and survivors.

Sonia Atchison has worked with Microsoft Project since 1999. In 2006, she joined Microsoft's writing team, producing extensive help content, videos, and content for Office.com and TechNet.

The Mayo Clinic Guide to Stress-Free Living Jan 12 2021 Have you ever driven several miles without noticing anything on the road, or read a page in a book without registering any of it? Do the day's worries and disappointments crowd your mind as you're trying to fall asleep at night? Do you feel stressed much of the time and aren't sure how to find peace? In this book, Amit Sood, M.D., M.Sc., a Mayo Clinic specialist in stress and resiliency, reveals how the mind's instinctive restlessness and shortsightedness generate stress and anxiety and presents strategies for living a more peaceful life. The book is based on the highly popular stress management program offered at Mayo Clinic that Dr. Sood developed after two decades of work with tens of thousands of people. Drawing on groundbreaking brain research, Dr. Sood helps you understand the brain's two modes and how an imbalance between them produces unwanted stress. From this basis, you learn skills that will help you: Develop deep and sustained attention Practice gratitude, compassion and acceptance Live a meaningful life Cultivate nurturing relationships Achieve your highest potential All of these concepts are weaved into a practical and fun journey that has been tested in numerous scientific studies, with consistently positive results. Take the first step to discover greater peace and joy for you and your loved ones. "Dr. Sood has put together a simple, secular and structured program that is anchored in science, is free of rituals and dogmas, and is accessible to everyone. This book can change your life."--Dr. Andrew Weil "An important innovative approach to well-being, one we all should know about."--Dr. Daniel Goleman

The Complete Infidel's Guide to Free Speech (and Its Enemies) Feb 22 2022 "JUST STAY QUIET AND YOU'LL BE OKAY." That's what Mohamed Atta told the doomed airline passengers on 9/11. And we still hear the exact same message today from the powerful but shadowy lobby that is working behind the scenes to gut the First Amendment and prohibit "hate speech"—or any criticism—of Islam. As bestselling author Robert Spencer shows in his startling new book, *The Complete Infidel's Guide to Free Speech (and Its Enemies)*, aggressive Muslims and their appeasers have mounted a dangerous and disturbingly successful campaign against our constitutional rights. Spencer reveals: How social media behemoths Facebook and Twitter—not to mention student groups at American college campuses—are doing the bidding of anti-First Amendment Muslim activists Why core Islamic teachings make criticism of Islam punishable by death How American representatives at the United Nations have already agreed to limit freedom of speech How Curt Schilling and other outspoken conservatives have lost their jobs for criticizing Islam Why Twitter and Facebook now regularly censor speech critical of Islam—while allowing death threats against its critics How blasphemy laws in Muslim countries are used as a pretext for arresting, even lynching Christians How European "hate speech" laws are used to prosecute and harass critics of Islam Why appeasement of Islam is endangering our First Amendment freedoms and could lead to your prosecution for "hate speech" If you value your First Amendment rights, you owe it to yourself to read *The Complete Infidel's Guide to Free Speech (and Its Enemies)*. It will give you the information and tools you need to fight back—because Islam and its progressive fellow travelers have only begun their campaign to define what you can read, say, and think.

You've Got a Book in You Apr 14 2021 Writing a book is fun and easy--yes, FUN AND EASY--but it may not always feel that way. How do you find the time to write? How do you keep momentum? How do you deal with the horror of showing anyone a single sentence of your work-in-progress? The answers remain fun and easy, and author Elizabeth Sims will take your hand, dispel your worries, and show you how it's done in this stress-free guide to accomplishing your dream of writing your book. In *You've Got a Book in You*, Elizabeth is that encouraging voice guiding you through the entire process, from finding the right time and place to gathering all of your creative tools to diving right in and getting it done--page by page, step by step. It's easier than you think, and it all starts right here, right now. "This guide is witty, warm, and wise--and wonderfully down-to-earth as well. Elizabeth Sims doesn't just tell you that you've got a book in you, she shows you how to pour it out using your own creative spirit, common sense, and persistence." ~Lori L. Lake, author of *The Gun Series* and *The Public Eye Mystery Series* "If you're searching for the spark of inspiration to get started writing a book, and the nourishment to sustain you to THE END, Elizabeth Sims's *You've Got a Book in You* will show you how to find it in yourself." ~Hallie Ephron, award-winning author of *There Was an Old Woman* "You won't find an easier-to-follow or more inspirational writing guide." ~L.J. Sellers, author of the bestselling Jackson mysteries "By focusing the high beams of her intelligence (and humor!) on the twisty trail of book-writing, in *You've Got a Book in You*, Elizabeth Sims proves herself a true writer's friend. As she guides you from the creation of a "working title" through her (brilliant!) "Making-It-Better Process," this well-established pro plays her most impressive cards--stacking the deck in favor of YOU!" ~Jamie Morris, Director, Woodstream Writers "Elizabeth Sims packs a twelve-week writing course into 280 pages. Inspirational and yet extremely hands-on, *You've Got a Book in You* will give newbies confidence to forge ahead and will remind veteran writers why they began writing in the first place--for the joy of it. I won't be surprised when the brilliant terms 'stormwriting' and 'heartbrain' become part of every writer's lexicon." ~Julie Compton, author of *Tell No Lies and Keep No Secrets* "The book is encouraging and inspiring, practical and witty. As a seasoned writer, I appreciate the reminders about the importance of putting yourself on a writing schedule. No more excuses. The many 'writing blasts' are very helpful and will get any writer out of the starting blocks. I especially enjoyed the section, 'Writing with the Masters.' What better way to get inspired, get a feel for different styles, and get jump-started on your writing? Excellent advice that I plan to incorporate in my future classes. I concur with Sims that 'writer's block' is greatly exaggerated. Is there any other profession that claims such a phenomenon? 'Excuse, me, but I have 'book-keeping block,' 'playing music block,' or 'painting block' today? I don't think so. Get yourself on a schedule, read some Sims, write with the masters, and you'll be on your way. You'll be glad you met this friend on your journey to becoming a successful writer." ~Gesa Kirsch, Ph.D., Professor of English, Director of Valente Center for the Arts and Sciences, Bentley University

The Complete Guide to Naturally Gluten-Free Foods Oct 01 2022 The Encyclopedia of Naturally Gluten-Free Foods is your one-stop reference to going g-free naturally and effectively.

Becoming Free Aug 07 2020 Throughout our lives we tend to build up armor that inhibits our growth. Our armor comes in many disguises: depression, self-deprecation, or the inability to act. We often create our own armor, our own protection, unique to us, but this protection actually stops our growth and the abundant life we each seek. An abundant and happier life can be yours, but you must identify and release the obstructions that keep you from the wisdom and wealth you want. Christy Monson, a successful family therapist for over thirty years, has written *Becoming Free* to help you achieve your goals and find deeper happiness in your life. *Becoming Free* is a step-by-step book to help you to shed your armor, expand your optimistic thinking, and enhance your ability to give and receive. Once you become free of the armor you've built around you to protect yourself, you'll find the abundant life you have always sought.

Homeschooler's Guide to Free Teaching Aids 2013-2014 Nov 21 2021

A Free Thinker Love-Sex Guide for Different Types of People Oct 21 2021 This book covers types or groups of people in matters of love and sex. I cover different groups of people looking for love and people who do not necessarily fit into a traditional society as far as love and sex go. Some people grow up and sense there is something wrong or off about their society that doesn't seem right or natural but they were indoctrinated that way so they go with it until some of them realize that this is not the natural me. I'm going to be the natural me away from indoctrination. The 88 volumes on a varied look at love and sex are as follows: Volume 1. Primal Freedom 1 Volume 2. Primal Freedom 2 Volume 3. A Sexual Vitality Guide Volume 4. A Free Hedonist's Guide 1 Volume 5. A Free Hedonist's Guide 2 Volume 6. The Monogamy Debate Volume 7. The Sex Role Stereotype Debate Volume 8. An Esthetic-Spiritual Love-Sex Guide Volume 9. Some Exotic Views on Love and Sex Volume 10. A New Age Love-Sex Guide Volume 11. A Psychedelic Love-Sex Guide Volume 12. A Sacred Sex Guide Volume 13. An Older Men Dating Guide Partial to Finding a Younger Woman ...

Complex PTSD May 16 2021 I have Complex PTSD [Cptsd] and wrote this book from the perspective of someone who has experienced a great reduction of symptoms over the years. I also wrote it from the viewpoint of someone who has discovered many silver linings in the long, windy, bumpy road of recovering from Cptsd. I felt encouraged to write this book because of thousands of e-mail responses to the articles on my website that repeatedly expressed gratitude for the helpfulness of my work. An often echoed comment sounded like this: At last someone gets it. I can see now that I am not bad, defective or crazy...or alone! The causes of Cptsd range from severe neglect to monstrous abuse. Many survivors grow up in houses that are not homes – in families that are as loveless as orphanages and sometimes as dangerous. If you felt unwanted, unliked, rejected, hated and/or despised for a lengthy portion of your childhood, trauma may be deeply engrained in your mind, soul and body. This book is a practical, user-friendly self-help guide to recovering from the lingering effects of childhood trauma, and to achieving a rich and fulfilling life. It is copiously illustrated with examples of my own and my clients' journeys of recovering. This book is also for those who do not have Cptsd but want to understand and help a loved one who does. This book also contains an overview of the tasks of recovering and a great many practical tools and techniques for recovering from childhood trauma. It extensively elaborates on all the recovery concepts explained on my website, and many more. However, unlike the articles on my website, it is oriented toward the layperson. As such, much of the psychological jargon and dense concentration of concepts in the website articles has been replaced with expanded and easier to follow explanations. Moreover, many principles that were only sketched out in the articles are explained in much greater detail. A great deal of new material is also explored. Key concepts of the book include managing emotional flashbacks, understanding the four different types of trauma survivors, differentiating the outer critic from the inner critic, healing the abandonment depression that come from emotional abandonment and self-abandonment, self-reparenting and reparenting by committee, and deconstructing the hierarchy of self-injuring responses that childhood trauma forces survivors to adopt. The book also functions as a map to help you understand the somewhat linear progression of recovery, to help you identify what you have already accomplished, and to help you figure out what is best to work on and prioritize now. This in turn also serves to help you identify the signs of your recovery and to develop reasonable expectations about the rate of your recovery. I hope this map will guide you to heal in a way that helps you to become an unflinching source of kindness and self-compassion for yourself, and that out of that journey you will find at least one other human being who will reciprocally love you well enough in that way.

NIAAA's Guide to Interscholastic Athletic Administration Dec 31 2019 This comprehensive resource covers leadership, operations, financial and facilities management, and other chief administrative responsibilities to help readers better understand the athletic director's multifaceted role.

Women in High Gear Apr 02 2020 Is high gear attainable for today's women and the next generation? Yes! Women in High Gear is a first-of-its-kind look at how women in business, on-rampers, and aspiring executives can discern and discover a path to high gear. Whether that looks like financial independence, starting a business, ascending to the C-suite, securing a board seat, or making superconnections, high gear is clearly within reach. Entrepreneurs and small business owners Anne Deeter Gallaher and Amy D. Howell join forces in Women in High Gear to tell their stories of two divergent paths to reach the same goal. In 13 easy-to-read and easy-to-relate-to chapters, Amy and Anne lay out their own journeys to high gear and show how others can connect the dots for growth and success. They combine big business principles with small business DNA in hopes that their experiences will shorten the business learning curve of women. Living the realities of staying at home and staying on the fast track, Anne and Amy help women of all ages understand the necessities for emotional resilience, harnessing the softs skills, exhibiting leadership, mastering self-discipline, understanding the bottom line, connecting on social media, and building a personal brand. Wherever you stand in your business journey, Anne and Amy challenge you to charge ahead with confidence and fresh perspectives. The world needs what you have to offer-high gear awaits! Acclaim for Women in High Gear: "Anne Deeter Gallaher and Amy D. Howell are keenly attuned to the need for mentoring, guidance, and inspiration to help prepare current and future generations of women for leadership in business and society. In Women in High Gear, Anne and Amy have artfully woven their own high gear journeys to both mark a path for growth and to steer readers clear of roadblocks. They blend advice, personal experience, insight, and accountability in hopes of shortening the learning curves of other women." Kim S. Phipps, Ph.D. President, Messiah College "In a business world steeped in too much self-help blather, Amy and Anne stand up for accountability, distinctiveness, mental toughness, responsibility, hard work, compassion, and appropriate compromise-the values that forge great leaders. This book is inspiring, true, and even better-entertaining!" Mark. W. Schaefer College Educator, Entrepreneur, International Speaker, and Author of Return on Influence and The Tao of Twitter "Women in High Gear is proof of the power of storytelling-at which Anne Deeter Gallaher and Amy D. Howell excel. They turn their hard-won personal and professional experiences into illuminating and engaging examples for others to follow. Early and mid-career professionals will find High Gear immediately useful, but even seasoned executives (like me) will see in Amy and Anne's experiences new approaches to today's challenges." Kathleen A. Pavelko President/CEO, WITF, Harrisburg, PA "This book is for anyone wanting to soar to higher goals in business." Philip H. Trenary CEO, Phil Trenary Associates; Former CEO, Pinnacle Airlines Corporation "After reading Women in High Gear, I immediately wrote out my high gear goals for the next five years. This book is for any woman with a big dream for her life!" Rachael Dymiski Author "Wonder duo Anne and Amy provide valuable insight into how independent, driven women can dominate the professional business landscape." Susan R. Ewing Director of Social & Digital Media, Hershey Harrisburg Regional Visitors Bureau "Women in High Gear is the modern guide to overcoming obstacles and achieving success without breaking a sweat-and doing it all in 4-inch heels. Anne and Amy have hit a homerun!" Kaitlin Sawyer Public Relations/Marketing Professional, Hawaii

Black Women's Yoga History Jun 04 2020 Examines how Black women elders have managed stress, emphasizing how self-care practices have been present since at least the mid-nineteenth century, with roots in African traditions. How have Black women elders managed stress? In Black Women's Yoga History, Stephanie Y. Evans uses primary sources to answer that question and to show how meditation and yoga from eras of enslavement, segregation, and migration to the Civil Rights, Black Power, and New Age movements have been in existence all along. Life writings by Harriet Jacobs, Sadie and Bessie Delany, Eartha Kitt, Rosa Parks, Jan Willis, and Tina Turner are only a few examples of personal case studies that are included here, illustrating how these women managed traumatic stress, anxiety, and depression. In more than fifty yoga memoirs, Black women discuss practices of reflection, exercise, movement, stretching, visualization, and chanting for self-care. By unveiling the depth of a struggle for wellness, memoirs offer lessons for those who also struggle to heal from personal, cultural, and structural violence. This intellectual history expands conceptions of yoga and defines inner peace as mental health, healing, and wellness that is both compassionate and political. Stephanie Y. Evans is a Professor of Black Women's Studies, Director of the Institute for Women's, Gender, and Sexuality Studies, and Affiliate Faculty in the Department of African American Studies and in the Center for the Study of Stress, Trauma, and Resilience at Georgia State University. Her books include Black Women and Social Justice Education: Legacies and Lessons (coedited with Andrea D. Domingue and Tania D. Mitchell); Black Women's Mental Health: Balancing Strength and Vulnerability (coedited with Kanika Bell and Nsenga K. Burton); and African Americans and Community Engagement in Higher Education: Community Service, Service-Learning, and Community-Based Research (coedited with Colette M. Taylor, Michelle R. Dunlap, and DeMond S. Miller), all published by SUNY Press.

Girlfriends Guide to Money Feb 10 2021 Many women experience money as a source of sadness, jealousy, anger, resentment, confusion, or worry. They want to be responsible, but feel out of control with their money. They work so hard to earn it, but there never seems to be enough. In Girlfriends' Guide to Money, authors Lucinda Atwood, Ann Leckie, and Marina Glass show women how to develop a great relationship with money in order to live happily and fully. With humor and personal anecdotes, and in easily accessible language, they provide the tools to help women to change their unhealthy and negative thoughts about money. Girlfriends' Guide to Money teaches women how to clarify their personal values, develop their own financial goals and action plans, and spend and save in alignment with those values. In addition, financial experts provide their advice on topics such as starting a new job, disability, job loss, and bankruptcy. The Girlfriends' Guide to Money is not about budgeting or deprivation. It is about thoughtfully aligning saving and spending with personal values. With clear values, women can set financial goals and action plans that fit like a well worn pair of jeans so they can be successful on their own terms.
