Figures who Shape Scriptures, Scriptures that Shape

Figures Dec 02 2019 The papers of the volume investigate how authoritative figures in the Second Temple Period and beyond contributed to forming the Scriptures of Judaism, as well as how these Scriptures shaped ideal figures as authoritative in Early Judaism. The topic of the volume thus reflects Ben Wright's research, who—especially with his work on Ben Sira, on the Letter of Aristeas, and on various problems of authority in Early Jewish texts—creatively contributed to the study of the formation of Scriptures, and to the understanding of the figures behind these texts.

Reading Skills Jul 21 2021 Aimed at students between bands 4.5 and 7.5, this is part of a series of three books covering academic reading, academic writing, and listening and speaking. The courses develop all the skills required by students in order to improve their IELTS score. Used as either a complete course or to target specific skills, they can also be used to supplement another course. Key features: Step-by-step guidance makes this series ideal for self-study or use in the class. Technique boxes reinforce how to ap

1 Samuel, Volume 10 Jan 03 2020 The Word Biblical Commentary delivers the best in biblical scholarship,

from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship.

Overview of Commentary Organization

Introduction—covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes: **Pericope Bibliography**—a helpful resource containing the most important works that pertain to each particular pericope. **Translation**—the author’s own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. **Notes**—the author’s notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. **Form/Structure/Setting**—a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical

contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment—verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research.

Explanation—brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues. General Bibliography—occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

Uncovering EAP Dec 14 2020 Uncovering EAP explains the processes involved in teaching academic writing and reading through concise theoretical overviews. These are complemented by an extensive range of practical activities and worksheets which teachers can put to immediate use in their classrooms.

1 Samuel Jun 27 2019 1 Samuel is Volume VII of The Forms of the Old Testament Literature, a series that aims to present a form-critical analysis of every book and each unit in the Hebrew Bible. Fundamentally exegetical, the FOTL volumes examine the "structure, genre, setting," and "intention" of the biblical literature in question. They also study the history behind the form-critical discussion of the material, attempt to bring consistency to the terminology for the genres and formulas of the biblical literature, and expose the exegetical process so as to enable students and pastors to engage in their own analysis and interpretation of the Old Testament texts. Antony Campbell's valuable form-critical analysis of 1

Samuel highlights both the literary development of the text itself and its meanings for its audience. A skilled student of the Hebrew scriptures and their ancient context, Campbell shows modern readers the process of editing and reworking that shaped 1 Samuel's final form. As Campbell's study reveals, the tensions and contradictions that exist in the present text reflect a massive change in the way of life of ancient Israel. Samuel, the first prophet, here emerges to preside over the rise of Saul, Israel's first king, to be the agent of Saul's rejection, and to anoint David as Israel's next king and the first established head of a royal dynasty. The book of 1 Samuel captures the work of God within this interplay of sociopolitical forces, and Campbell fruitfully explores the text both as a repository of traditions of great significance for Israel and as a paradigm of Israel's use of narrative for theological expression.

IELTS 1 Testbuilder Pack 2E Apr 17 2021

The Urim and Thummim Oct 31 2019 This is the first exhaustive study of the Urim and Thummim since 1824, and in this book Van Dam sets out to rectify that lack of attention. He investigates all of the biblical data concerning this enigmatic oracular means of high-priestly revelation and its connection, in the historical books of the Old Testament, with the common phrase "to enquire of Yahweh/God." After surveying the history of interpretation and the treatment of the terms in the various versions and translations, Van Dam examines the

implications of similar oracular devices and priestly dress within the larger cultural context of the ancient Near East. He places the Urim and Thummim within the context of divine revelation and human inquiry and the corollary prohibition of divination in ancient Israel. He concludes that the breastpiece functioned as a pouch to hold the Urim and Thummim, which therefore clearly were tangible objects. Van Dam traces the use of this oracular instrument through the early monarchy under David--from the time of Joshua through the early monarchy under David--and its apparent disappearance by the time of the "classical" prophets, where a shift to primarily verbal oracles occurs. Concurrent with his study of the history of the oracle, Van Dam interacts with current discussion on the nature and process of God's revelation to humankind.

Tips for IELTS Feb 13 2021 This slim, definitive book is packed full of everything a student needs to know about the IELTS exam. The David Story: A Translation with Commentary of 1 and 2 Samuel Sep 30 2019 "A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999
Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist

comparable to the Shakespeare of the history plays.
Ielts Reading Tests (Academic Module) Feb 02 2020 This Book Is For Student Preparing For The Reading Test In The Academic Module Of The International English Language Testing System (Ielts), Which Is Administered By The British Council, The University Of Cambridge Local Examination Syndicate (Ucles) And Ielts Australia. This Special Low-Priced Edition Is For Sale In India, Bangladesh, Bhutan, Maldives, Nepal, Myanmar, Pakistan And Sri Lanka Only.

The Authors of the Deuteronomistic History Aug 29 2019 Peterson engages the identities and provenances of the authors of the various “editions” of the Deteronomistic History. Peterson asks where we might locate a figure with both motive and opportunity to draw up a proto-narrative including elements of Joshua, Judges, Samuel, and the first part of 1 Kings. Peterson identifies a particular candidate in the time of David qualified to write the first edition. He then identifies the particular circle of custodians of the Deuteronomistic narrative and supplies

successive redactions down to the time of Jeremiah.

Writing Skills Jun 19 2021 Aimed at students between bands 4.5 and 7.5, this is part of a series of three books covering academic reading, academic writing, and listening and speaking.
