What the Night Knows (with bonus novella Darkness Under the Sun) Apr 17 2021 #1 NEW YORK TIMES BESTSELLER In the late summer of a long-ago year, Alton Turner Blackwood brutally murdered four families. His savage spree ended only when he himself was killed by the last survivor of the last family, a fourteen-year-old boy. Half a continent away and two decades later, someone is murdering families again, re-creating in detail Blackwood's crimes. Homicide detective John Calvino is certain that his own family—his wife and three children—will be targets, just as his parents and sisters were victims on that distant night when he was fourteen and killed their slayer. As a detective, John is a man of reason who deals in cold facts. But an extraordinary experience convinces him that sometimes death is not a one-way journey, that sometimes the dead return.

At first they thought it was the work of a maniac. Or terrorists. Or toxic contamination. Or a bizarre new disease. But then they found the truth. And they saw it in the flesh. And it was worse than anything any of them had ever imagined...

Life Expectancy Mar 17 2021 With his bestselling blend of nail-biting intensity, daring artistry, and storytelling magic, Dean Koontz returns with an emotional roller coaster of a tale filled with enough twists, turns, shocks, and surprises for ten ordinary novels. Here is the story of five days in the life of an ordinary man born to an extraordinary legacy—a story that will challenge the way you look at good and evil, life and death, and everything in between. Jimmy Tock comes into the world on the very night his grandfather leaves it. As a violent storm rages outside the hospital, Rudy Tock spends long hours walking the corridors between the expectant fathers' waiting room and his dying father's bedside. It's a strange vigil made all the stranger when, at the very height of the storm's fury, Josef Tock suddenly sits up in bed and speaks coherently for the first and last time since his stroke. What he says before he dies is that there will be five dark days in the life of his grandson—five dates whose terrible events Jimmy will have to prepare himself to face. The first is to occur in his twentieth year; the second in his twent-third year; the third in his twenty-eighth; the fourth in his twenty-ninth; the fifth in his thirtieth. Rudy is all too ready to discount his father's last words as a dying man's delusional rambling. But then he discovers that Josef also predicted the time of his grandson's birth to the minute, as well as his exact height and weight, and the fact that Jimmy would be born with syndactyly—the unexplained anomaly of fused digits—on his left foot. Suddenly the old man's predictions take on a chilling significance. What terrifying events await Jimmy on these five dark days? What nightmares will he face? What challenges must he survive? As the novel unfolds, picking up Jimmy's story at each of these crisis points, the path he must follow will defy every expectation. And with each crisis he faces, he will move closer to a fate he could never have imagined. For who Jimmy Tock is and what he must accomplish on the five days when his world turns is a mystery as dangerous as it is wondrous—a struggle against an evil so dark and pervasive, only the most extraordinary of human spirits can shine through. Dylan O'Connor is a gifted young artist just trying to do the right thing in life. He's on his way to an arts festival in

*Santa Fe when he stops to get a room for himself and his twenty-year-old autistic brother, Shep. But in a nightmarish instant, Dylan is attacked by a mysterious "doctor," injected with a strange substance, and told that he is now a carrier of something that will either kill him...or transform his life in the most remarkable way. Then he is told that he must flee--before the doctor's enemies hunt him down for the secret circulating through his body. No one can help him, the doctor says, not even the police. Stunned, disbelieving, Dylan is turned loose to run for his life...and straight into an adventure that will turn the next twenty-four hours into an odyssey of terror, mystery--and wondrous discovery. It is a journey that begins when Dylan and Shep's path intersects with that of Jillian Jackson. Before that evening Jilly was a beautiful comedian whose biggest worry was whether she would ever find a decent man. Now she too is a carrier. And even as Dylan tries to convince her that they'll be safer sticking together, cold-eyed men in a threatening pack of black Suburbans approach, only seconds before Jilly's classic Coupe DeVille explodes into thin air. Now the three are on the run together, but with no idea whom they're running from--or why. Meanwhile Shep has begun exhibiting increasingly disturbing behavior. And whatever it is that's coursing through their bodies seems to have plunged them into one waking nightmare after another. Seized by sinister premonitions, they find themselves inexplicably drawn to crime scenes--just minutes before the crimes take place. What this unfathomable power is, how they can use it to stop the evil erupting all around them, and why they have been chosen are only parts of a puzzle that reaches back into the tragic past and the dark secrets they all share: secrets of madness, pain, and untimely death. Perhaps the answer lies in the eerie, enigmatic messages that Shep, with precious time running out, begins to repeat, about an entity who does his work "by the light of the moon." *By the Light of the Moon* is a novel of heart-stopping suspense and transcendent beauty, of how evil can destroy us and love can redeem us--a masterwork of the imagination in which the surprises come page after page and the spell of sublime storytelling triumphs throughout.
