This is why you remain in the best website to see the unbelievable book to have.

The Lies of Locke Lamora Apr 29 2022 “Remarkable . . . Scott Lynch’s first novel, *The Lies of Locke Lamora*, exports the suspense and wit of a cleverly constructed crime caper into an exotic realm of fantasy, and the result is engagingly entertaining.”—*The Times* (London) An orphan’s life is harsh—and often short—in the mysterious island city of Camorr. But young Locke Lamora dodges death and slavery, becoming a thief under the tutelage of a gifted con artist. As leader of the band of light-fingered brothers known as the Gentleman Bastards, Locke is soon infamous, fooling even the underworld’s most feared ruler. But in the shadows lurks someone still more ambitious and deadly. Faced with a bloody coup that threatens to destroy everyone and everything that holds meaning in his mercenary life, Locke vows to beat the enemy at his own brutal game—or die trying. Praise for *The Lies of Locke Lamora* “Fresh, original, and engrossing . . . gorgeously realized.”—George R. R. Martin “Right now, in the full flush of a second reading, I think *The Lies of Locke Lamora* is probably in my top ten favorite books ever. Maybe my top five. If you haven’t read it, you should. If you have read it, you should probably read it again.”—Patrick Rothfuss, *New York Times* bestselling author of *The Name of the Wind* “A unique fantasy milieu peopled by absorbing, colorful characters . . . Locke’s wit and audacity endear him to victims and bystanders alike.”—*The Seattle Times* “A true genre bender, at home on almost any kind of fiction shelf . . . Lynch immediately establishes himself as a gifted and fearless storyteller, unafraid of comparisons to Silverberg and Jordan, not to mention David Liss and even Dickens.”—Booklist (starred review) “High-octane fantasy . . . a great swashbuckling yarn of a novel.”—Richard Morgan [Thief of Lies](#) May 31 2022 Gia Kearns would rather fight with boys than kiss them. That is, until Arik, a leather clad hottie in the Boston Athenaeum, suddenly disappears. While examining the book of world libraries he abandoned, Gia unwittingly speaks the key that sucks her and her friends into a photograph and transports them into a Paris library, where Arik and his Sentinels-magical knights charged with protecting humans from the creatures traveling across the gateway books-rescue them from a demonic hound. Jumping into some of the world's most beautiful libraries would be a dream come true for Gia, if she weren't busy resisting her heart or dodging an exiled wizard seeking revenge on both the Mystik and human worlds. Add a French flirt obsessed with Arik and a fling with a young wizard, and Gia must choose between her heart and her head, between Arik's world and her own, before both are destroyed. The Library Jumpers series is best enjoyed in order. Reading Order: Book #1 Thief of Lies Book #2 Guardian of Secrets Book #3 Assassin of Truths

[Rural Rides](#) Jan 27 2022 *Rural Rides* is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing *Rural Rides*, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free vent to Cobbett's opinions

The Bone Forge Feb 02 2020 “...all that I am, all my weakness, it is my crucible, my fire, my inferno, by which I am burned alive in glory.” - excerpt from the poem 'Bone Forge' (pg 24).In this collection of poetry, the author explores the concepts of death, transcendence and transformation. He plumbs the depths of the human soul, laying bare his many faults and failings, exposing his weaknesses with painful honesty, and seeking as ever to illustrate an important chapter in the story of the human experience. Forty-two of his most powerful and evocative works are collected here, brought to readers for the first time in a beautiful volume with cover illustration provided by the talented fantasy artist Ryan Wardlow.

Sally Phipps Nov 12 2020 Sally Phipps was only three years old and the veteran winner of several beautiful baby contests when she appeared as the Baby in the film "Broncho Billy And The Baby." It was made at the Niles California Essanay Studio in late 1914. This book follows her amazing life and a career that culminated in her receiving the Rosemary (for remembrance) Award shortly before her death in 1978. Her memories of the early years at Essanay include sitting on Charlie Chaplin's lap and enduring a frightening stage coach accident. In her teens, she was a Fox Studio star appearing in 20 films, including a cameo in the classic "Sunrise." There were bad times also. She was on the set of her Fox two-reel comedy "Gentlemen Prefer Scotch" in 1927 when word reached her of the scandalous death of her father, a state senator. But in that same year, she was selected as one of the 13 Wampas Baby Stars, starlets that were considered destined for future success. Despite her popularity in Hollywood, she left for New York where she became the darling of gossip columnists, particularly Walter Winchell. She appeared in two Broadway shows, made a Vitaphone comedy short, and married and divorced one of the Gimbel department store moguls before she darted off for India and around the world travel. Back in New York, there was another marriage, two children, and later a stay in Hawaii. Earl Wilson wrote about her in 1938 when she was working for the Federal Theatre Project during the WPA period -- headlining his column "Wampas Ex-Baby Lives On WPA \$23 - And Likes It." Her images - especially her pinup photographs - have become highly collectible. The book features 150 pictures from Sally's personal and professional life, including glamorous portraits and pinups.

The White Sharks of Wall Street Oct 24 2021 It almost seems that Thomas Mellon Evans was a man so far ahead of his contemporaries that he had moved into the shadows before the full force of his business style had dawned on the rest of corporate America. At every step in his career, he was barging in where few would follow -- at first. But follow they did, at last." -- from the Prologue The first in-depth portrait of the life and times of the trailblazing financier Thomas Mellon Evans -- the man who pursued wealth and power in the 1950s with a brash ruthlessness that forever changed the face of corporate America. Long before Michael Milken was using junk bonds to finance corporate takeovers, Thomas Mellon Evans used debt, cash, and the tax code to obtain control of more than eighty American companies. Long before investors began to lobby for "shareholder's rights," Evans was demanding that public companies be run only for their shareholders -- not for their employees, their executives, or their surrounding communities. To some, Evans's merciless style presaged much that is wrong with corporate life today. To others, he intuitively knew what was needed to keep America competitive in the wake of a global war. In *The White Sharks of Wall Street*, *New York Times* investigative reporter Diana Henriques provides the first biography of this pivotal figure in American business history. She also portrays the other pioneering corporate raiders of the postwar period, such as Robert Young and Louis Wolfson, and shows how these men learned from one another and advanced one another's takeover tactics. She relates in dramatic detail a number of important early takeover fights -- Wolfson's challenge to Montgomery Ward, Young's move on the New York Central Railroad, the fight for Follansbee Steel -- and shows how they foreshadowed the desperate battle waged by Tom Evans's son, Ned Evans, to keep the British raider Robert Maxwell away from his Macmillan publishing empire during the 1980s. Henriques also reaches beyond the business arena to tally the tragic personal cost of Evans's pursuit of success and to show how the family dynasty shattered when his sons were driven by his own stubbornness and pride to become his rivals. In the end, the battling patriarch faced his youngest son in a poignant battle for control at the Crane Company, the once-famous Chicago plumbing and valve company that Tom Evans had himself seized in a brilliant takeover coup twenty-five years earlier. *The White Sharks of Wall Street* is a fascinating portrait of an extraordinary man, whose career blazed across the sky and then sank into obscurity -- but not before he had provided the template for how American business would operate for the next four decades.

School of Wizardry Dec 14 2020 Determined to become a wizard, twelve-year-old Randal is delighted to be accepted into the famed School of Wizardry, but his apprenticeship is marred when he realizes that one of the master wizards is using evil spells to destroy the school and gain supreme power.

Wobniar Jan 03 2020 Did you ever wonder what would happen if we could turn the rainbow around, backwards, and upside down? New colors of course! This interactive coloring book allows readers of all ages to mix things up and discover new shades that spark the imagination - BLURPLE, WHINK, and GRACK just to name a few! It's never too soon, or too late, to understand that not everything in life has to fit neatly in a box.

[BearCity](#) Nov 24 2021 Based on the award-winning feature-length movie, *Bear City: The Novel* follows the funny, romantic, and often dramatic adventures of a tight-knit pack of bears, cubs, and friends in New York City as they gear up for a big party weekend. A hirsute Sex and the City set in the "Bear" scene, this story brings together these men, their friends, tricks, and lovers, and a cast of colorful, hirsute characters. They experience comical mishaps, lusty and romantic encounters, and an impressive variety of male body

types. Using satire and humor, the novel exposes their explores these men's self-image issues and pokes fun at aspects of urban gay lifestyles, all while celebrating the worldwide community of men who call themselves Bears.

Free Roll Sep 30 2019 Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

Zodiac Goddess Coloring Book Jul 29 2019 This hand-illustrated adult coloring book features portraits of beautiful goddesses, each representing a sign of the zodiac. We hope you enjoy! <http://www.winsomeandwit.com/> . . . Note: This book is exclusively sold on Amazon and Createspace.

Kafka's Roach Jul 09 2020 As World War I began, Gregor Samsa, a good man turned-roach, burst into the world, and literature has never been the same. Kafka's 1915 *Metamorphosis* was a long short story, with an unhappy beginning, middle, and end. In Kafka's *Roach*, Estrin (along with the Samsa's housemaid) has rescued Gregor from his dusty death under a couch in Prague, schooled him at a Viennese sideshow, and impelled him over the Atlantic to take a crucial role in American history in the twenties, thirties and forties. Gregor (six feet tall, and an ever-improving speaker of English) becomes part of FDR's brain trust, living in the White House kitchen until he is sent out to Los Alamos as the risk manager for the Manhattan Project. His life ends under the bomb tower at the Trinity test, melted into the New Mexico sands. This huge, comic novel is rich in historical detail, ridiculous situations, and the thoughtful musings of its narrator.

Wizard's First Rule Aug 02 2022 An unearthly adversary descends on an idyllic fantasy world, corrupting magic against good and slaughtering innocents, and only a single man can stop him.

Dangerous Intentions Mar 17 2021 *Dangerous Intentions: Mouth Full of Lies* is about my experience in a relationship with a Jamaican man named Mark (The Love of My Life) or so I thought. No matter how good things felt with all of the passion, love, time spent together, and chemistry, a web of lies was created. Once lies begin to surface things take a dramatic turn which changes the whole perception of what things appeared to be. I was taken on the ride of my life, the man I thought I knew suddenly became someone I didn't know at all. It was as if a mask was peeling off of his face and the person behind the mask emerged, which was a stranger to me. Our whole relationship seemed to disappear in the blink of an eye. My story will take you through all of the hurt and betrayal I endured. The man that vowed to love me and always be there for me lied and abandoned me. It almost seemed I was playing a character in a movie thinking this can't really be happening. He could no longer run from the truth, it was time to face it. The double life he was living blew up in an unexpected way. Ultimately he sold me a dream, but in the end delivered a nightmare. As my life was turned upside down I slowly moved on trying to put the pieces back together. In the process I crossed paths with another Jamaican man named Devon, who seemed to be the opposite of Mark. Devon and I would talk all the time about our past relationships which he used as a way to get close to me. I became hesitant pretty quickly as I noticed a dark side emerge that kept revealing itself no matter how much he tried to conceal it. Devon became emotionally and mentally abusive, it was the first time in my life I had ever experienced that type of abuse. He became a complete monster, as I tried to leave him many times I realized unlike the relationship with Mark, getting away from Devon would be more of a challenge. He was a manager at a cruise line where I worked and he made sure to keep reminding me by his actions that things would never be over until he wanted it to be over. I was taken through more twists, turns and confusion. In the end, I had to make a wise decision and forget what I hoped things could be based off of false pretenses and instead do what was best for me.

Salem VI Dec 02 2019 SALEM, MASS. - Newspaper editor John Andrews thought he'd lost everything when his wife was killed, but when timeless bloodlines reemerge Andrews realizes that a tragic accident may actually have been murder, and even worse, might be part of a battle between good and evil that has gone on hundreds of years.

No One Would Listen Mar 29 2022 Harry Markopolos and his team of financial sleuths discuss first-hand how they cracked the Madoff Ponzi scheme *No One Would Listen* is the thrilling story of how the Harry Markopolos, a little-known number cruncher from a Boston equity derivatives firm, and his investigative team uncovered Bernie Madoff's scam years before it made headlines, and how they desperately tried to warn the government, the industry, and the financial press. Page by page, Markopolos details his pursuit of the greatest financial criminal in history, and reveals the massive fraud, governmental incompetence, and criminal collusion that has changed thousands of lives forever-as well as the world's financial system. The only book to tell the story of Madoff's scam and the SEC's failings by those who saw both first hand Describes how Madoff was enabled by investors and fiduciaries alike Discusses how the SEC missed the red flags raised by Markopolos Despite repeated written and verbal warnings to the SEC by Harry Markopolos, Bernie Madoff was allowed to continue his operations. *No One Would Listen* paints a vivid portrait of Markopolos and his determined team of financial sleuths, and what impact Madoff's scam will have on financial markets and regulation for decades to come.

Finding Sep 10 2020 Two years before adopting seven-year-old Keydell from a group home for young boys, Kim made a vow before the Dalai Lama to become a bodhisattva: one who cultivates an enlightened mind, is free from delusion, and practices kindness and compassion above all else. However, she struggles with this practice as her new son's challenged mind sends him into fits of rage and violence, while seemingly allowing him to feel no remorse for his actions. His behaviors go against everything Kim believes in, but she is determined to keep her chocolate-eyed boy safely in the home she has created with her husband and two biological children. As she tries everything she can to get Keydell the help he needs, she must also learn to accept him exactly as he is: a tiger in the home of elephants. This vulnerable and touching account highlights the interplay between desire and reality, denial and acceptance, struggle and enlightenment. As the minds of this mother and her extraordinary son awaken - Kim's through her Buddhist practice, and Keydell's through the science of neurofeedback - we witness the power of love and compassion to overcome even the greatest odds."

The Bernie Madoff Ponzi Scheme Feb 25 2022 On the 29th of June, 2008, Bernie Madoff was sentenced to 150 years in prison. His crime was running the biggest-ever fraudulent scheme in US history, and probably in the history of the world. The prosecutors estimated that Madoff had committed a fraud worth \$64.8 billion. Madoff was a well-respected financier, and this is why investors believed him when he promised consistent profits in return of their savings. Furthermore, he continued to fool his investors, more than 4,800 clients, for a period of over a decade. So, who was Bernie Madoff? What is a Ponzi scheme? How did Bernie manage to run this fraudulent scheme for such a long time? How was he caught? Find out all about this and much more right here in this book.

Betrayal Jul 01 2022 This is the story of the greatest con in financial history—one that has commanded the attention of the entire world from the day the news broke on December 11, 2008. Bernard Madoff's financial scheming roped in thousands of victims, ranging from boldfaced names—Steven Spielberg, Mortimer Zuckerman, Kevin Bacon, Elie Wiesel—to ordinary people who saw their nest eggs disappear in a smoke-and-mirrors debacle. The Enron machinations pale beside the havoc that Madoff created in people's lives. Who is this Bernie Madoff? A shady con man? A sociopath? An evil genius? Who was in on it with him? And where is the money? The established expert on the Bernie Madoff case, journalist Andrew Kirtzman offers a riveting analysis of the man and his deeds that is filled with solid research and suspenseful storytelling.

The End of Normal Dec 26 2021 A New York Times bestseller, *The End of Normal* is the explosive and heartbreaking memoir from the widow of Mark Madoff and the daughter-in-law of Bernard Madoff. When the news of Bernard Madoff's Ponzi scheme broke, no one was more shocked than the members of his own family. Before then, Madoff's son, Mark, and daughter-in-law, Stephanie, had built an idyllic life. Yet, while Mark's thriving business was entirely separate from his father's now notorious fund, he and Stephanie found themselves in the eye of the storm—and grappling with their own sense of betrayal. Mark refused to see or speak to his parents, and on the second anniversary of his father's arrest, he hanged himself. Left to raise her children as a single mother, Stephanie tells the real story of her marriage to Mark, of being a part of the Madoff family, and of life for two years following her father-in-law's arrest and incarceration. *The End of Normal* is a searing inside look at one of the most controversial stories of our time, and an extraordinary memoir of surviving personal tragedy amid public scandal.

Song of the Wings Coloring Book Apr 05 2020

Famous Butterfly Species Feb 13 2021 Why should children learn to count money? There are two reasons. The first is because counting money entails the use of basic math skills like counting and skip counting. The second reason is because you want to teach your child about the value of money. These are two important concepts that your child should learn ASAP. Grab a copy of this book

Bernie Madoff, the Wizard of Lies Oct 04 2022 Based on award-winning reporter Diana Henriques' unprecedented access to Madoff, including extensive correspondence and his first interviews for publication since his arrest, "Bernie Madoff, The Wizard of Lies" is the ultimate true-life financial thriller.

The Wizard and the Prophet Aug 22 2021 From the best-selling, award-winning author of 1491 and 1493--an incisive portrait of the two little-known twentieth-century scientists, Norman Borlaug and William Vogt, whose diametrically opposed views shaped our ideas about the environment, laying the groundwork for how people in the twenty-first century will choose to live in tomorrow's world. In forty years, Earth's population will reach ten billion. Can our world support that? What kind of world will it be? Those answering these questions generally fall into two deeply divided groups--Wizards and Prophets, as Charles Mann calls them in this balanced, authoritative, nonpolemical new book. The Prophets, he explains, follow William Vogt, a founding environmentalist who believed that in using more than our planet has to give, our prosperity will lead us to ruin. Cut back! was his mantra. Otherwise everyone will lose! The Wizards are the heirs of Norman Borlaug, whose research, in effect, wrangled the world in service to our species to produce modern high-yield crops that then saved millions from starvation. Innovate! was Borlaug's cry. Only in that way can everyone win! Mann delves into these diverging viewpoints to assess the four great challenges humanity faces--food, water, energy, climate change--grounding each in historical context and weighing the options for the future. With our civilization on the line, the author's insightful analysis is an essential addition to the urgent conversation about how our children will fare on an increasingly crowded Earth.

The Patchwork Girl of Oz Sep 22 2021 A boy, a patchwork girl, and a glass cat go on a mission to find the ingredients for a charm which will transform some people turned to marble.

Mr Lazarus Jun 27 2019 '... a surging intensity that keeps the reader glued to the page.' - New York Times London. 1970. Vicky Graham, an unsuccessful film producer at the BBC, crosses the path of Luciano Raffi, a famous violinist, as he performs at the Proms. For Vicky he represented something she could not have, but something she longingly craved for. A chance to lift her out of the unloving greyness of everyday life. Through her job at the BBC, she is able to organise an interview with him, but their meeting triggers a renewed obsession with him. The reason? Luciano has something in common with Vicky - they both know about the portal. A secret history, nearly untraced, connects these distant souls. But will it last? Raffi is about to disappear from her life... To get him back, she must travel to where and when she had never expected. She must uncover the secret history of the portal... Mr Lazarus is the latest book in Patrice Chaplin's series following *The City of God* and *The Portal*. Chaplin is a renown international bestselling author. Praise for Patrice Chaplin 'Powerful romantic fiction in the tradition of Emily Bronte.' - Guardian '... a surging intensity that keeps the reader glued to the page.' - New York Times 'Genuinely witty horrors' - The Observer Patrice Chaplin is an author, journalist and playwright. She first visited the city of Gerona, in Spain, when she was 15 and it was then that she learnt about the Grail mystery. Throughout her life she has maintained an active interest in the history of the Grail and has lived in Spain and France. She has published more than 36 books, plays and short stories.

Holding Back The Tears Jun 19 2021 This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her belief's about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

The Wonderful Wizard of Oz Oct 12 2020 Travel to the land of Oz with Dorothy and find out what inspired the forthcoming film blockbuster *Oz: The Great and Powerful*

Certain Personal Matters Jul 21 2021 This early edition of H.G. Wells features the author's amusing commentary and opinion about the customs and issues of his time.

Crazy Aug 29 2019 **CRAZY A MEMOIR** is a humorous, adventuresome romp about weed smuggling in the seventies and eighties. The author chronicles his early life in San Antonio and the influence of the growing drug culture during his teen years. He then comically depicts his required military service as a "tie-dyed hippie in army greens" and his determined attempts to stay out of Viet Nam. Lost and unsure about life following the drug related deaths of most of his friends, he later hitchhikes around Mexico and ends up attending college in Cholula where he begins his career in weed smuggling. His entrepreneurial efforts in this area are humorously described in great detail. The book captures a slice of time, tying in political and cultural events with the author's concomitant psychological development during the hippie movement as well as his evolving career as a drug smuggler for the Cause.

Love & Daisies Oct 31 2019 Ella has spent her life in a small town surrounded by loyal friends, the scent and beauty of her floral shop, and calm predictability. Everything changes when she runs over a newcomer in town. The usually level-headed businesswoman falls clumsily into a future she couldn't have predicted, and finds herself entangled with a past never forgotten. Despite her resistance, Ella tumbles through romance and comedy into the arms of the man she never imagined she'd find.

Torrid Affair Jan 15 2021 I'm fucked. The life I have lived for the past ten years is built solely on lies and secrets. But I can't help myself. I'm in love with two different men. And one of them is my brother-in-law. He's my drug. My fire. My addiction. But he's married to my best friend. And I'm married to my husband. I'm not ashamed. I have no guilt. None. I'm not fucked. I'm a fucked up person. This is the story of how I ruined my life. And the life of the one I loved most.

Love, Lies, and Hocus Pocus Apr 17 2021 Saving the world is such a bother when it makes you late for tea. By day, book-loving wizard Lily Singer manages library archives. By night? She sleeps, of course. In between, she studies magic and tries to keep her witch friend Sebastian out of trouble. Much to her displeasure, he finds it anyway and drags her along with him. From unmaking ancient curses to rescuing a town lost in time, Lily and Sebastian fight to avert magical mayhem. Meanwhile, Lily's mysterious past begins to unfold-apast hidden from her by those she trusts most. Will she be able to discover the truth despite them?"

The Tree That Ate Everything May 07 2020 Jake and Austin are twins. Jake has Down syndrome while Austin is typical. On their birthday, they play with their toys but a whimsical tree wants to play too. It also happens to be her birthday.

Truth and Consequences Sep 03 2022 In December 2008, the world watched as master financier Bernard L. Madoff was taken away from his posh Manhattan apartment in handcuffs, accused of swindling thousands of innocent victims-including friends and family-out of billions of dollars in the world's largest Ponzi scheme. Madoff went to jail; he will spend the rest of his life there. But what happened to his devoted wife and sons? The people closest to him, the public reasoned, must have known the truth behind his astounding success. Had they been tricked, too? With unprecedented access to the surviving family members-wife Ruth, son Andrew and his fiancée Catherine Hooper-journalist Laurie Sandell reveals the personal details behind the headlines. How did Andrew and Mark, the sons who'd spent their lives believing in and building their own families around their father's business first learn of the massive deception? How does a wife, who adored her husband since they were teenagers, begin to understand the ramifications of his actions? The Madoffs were a tight-knit-even claustrophobic-clan, sticking together through marriages, divorces, and illnesses. But the pressures of enduring the massive scandal push them to their breaking points, most of all son Mark, whose suicide is one of the many tragedies that grew in the wake of the scandal. Muzzled by lawyers, vilified by the media and roundly condemned by the public, the Madoffs have chosen to keep their silence-until now. Ultimately, theirs is one of the most riveting stories of our time: a modern-day Greek tragedy about money, power, lies, family, truth and consequences.
