Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

Tales from the Levee Nov 21 2019 "Different is a brave thing to be," a mother tells her five-year-old daughter. During the 1960s and 1970s, when things for gays and lesbians were starting to change in larger cities, in the Midwest, different was not a safe thing to be. A memorable cast of characters, a sympathetic, believable, tight-knit community of friends and rivals fill out the interconnected stories with butches, femmes, go-go dancers, and drag queens who try to find their way in an unaccepting culture by becoming a family of choice. Anyone who has ever been on the outside looking in will feel at home on "the levee."

Bunco Babes Tell All May 28 2020 A hot, sassy, Southern romance about girlfriends, gossip, the game of love- and the game of Bunco. Woman cannot live by Bunco alone . Meet the Bunco Babes of Whispering Bay. Every Thursday night they roll dice, drink frozen margaritas, and catch up on all the

gossip in their small north Florida town. Kitty Burke is the only Bunco Babe who is still single—which is okay—but she's thirty-five and may need to face the fact that her image of Mr. Right is all wrong. Take Steve. Very sexy—but on paper, with three failed marriages and a shady career, maybe not great husband material. And yes, his ring tone is "Freebird." Fellow Babes Shea and Pilar definitely vote thumbs down. But maybe there's more to Steve than meets the eye. Is it time for Kitty to roll the dice and hope that she can be as lucky in love as she is in Bunco?

Girls & Sex Oct 25 2022 A generation gap has emerged between parents and their girls. The mothers and fathers of tomorrow's women have little idea what their daughters are up to sexually or how they feel about it. Drawing on in-depth interviews with more than seventy young women and a wide range of psychologists, academics, and experts, renowned journalist Peggy Orenstein goes where most others fear to tread, pulling back the curtain on the hidden truths, hard lessons, and important possibilities of girls' sex lives in the modern world.

What Girls Are Made Of Sep 12 2021 A 2017 National Book Award for Young People's Literature Finalist When Nina Faye was fourteen, her mother told her there was no such thing as unconditional love. Nina believed her. Now she'll do anything for the boy she loves, to prove she's worthy of him. But when he breaks up with her, Nina is lost. What is she if not a girlfriend? What is she made of? Broken-hearted, Nina tries to figure out what the conditions of love are. "Finally, finally, a book that is fully girl, with all of the gore and grace of growing up female exposed." —Carrie Mesrobian, author of the William C. Morris finalist, *Sex & Violence*

Subcultures and New Religious Movements in Russia and East-Central Europe Apr 26 2020 Based on extensive ethnographic research, this collection uses a variety of theoretical perspectives and methodologies to examine some of the many subcultures and new religious movements that have emerged in Central and Eastern Europe since the fall of communism.

Super Bitches and Action Babes Nov 02 2020 With actress Pam Grier's breakthrough in *Coffy* and *Foxy Brown*, women entered action, science fiction, war, westerns and martial arts films—genres that had previously been considered the domain of male protagonists. This ground-breaking cinema, however, was—and still is—viewed with ambivalence. While women were cast in new and exciting roles, they did not always arrive with their femininity intact, often functioning both as a sexualized spectacle and as a new female hero rather than female character. This volume contains an in-depth critical analysis and study of the female hero in popular film from 1970 to 2006. It examines five female archetypes: the dominatrix, the Amazon, the daughter, the mother and the rape-avenger. The entrance of the female hero into films written by, produced by and made for men is viewed through the lens of feminism and post-feminism arguments. Analyzed works include films with actors Michelle Yeoh and Meiko Kaji, the *Alien* films, the *Lara Croft* franchise, *Charlie's Angels*, and television productions such as *Xena: Warrior Princess* and *Alias*.

Mothers, Sex, And Sexuality Jun 28 2020 *Mothers, Sex, and Sexuality* talks about things not normally dared spoken out loud—the interconnectedness and conflict between our parental and sexual selves, the taboo of the sexual mother, and why it matters so much to shatter it. What is it about the sexual mother that is incompatible, and at times even disturbing? Why are we threatened by maternal sexuality? And what does this tell us about the structures of gender and power that govern our bodies? *Mothers, Sex, and Sexuality* presents a rigorous academic analysis of the myriad ways in which the sexual/maternal divide affects women, birthing people, and those of us who assume or are ascribed the title "mother". We examine the way we as mothers talk to our daughters about sex, the way we talk about sex in a cultural context, and the deafening silence around sex in a medical system that overlooks maternal sexuality. We return repeatedly to the impact of both Christianity and Hinduism on the mother as someone to be revered but tightly controlled. We embrace the lost eroticism of mothering and hail breastfeeding as a sexual maternal practice, arguing for a new, broader, feminist understanding of sexuality. We discuss the way fat mothers destabilise the heteronormative maternal model, the way kinky queers are reconfiguring the sexual/maternal divide through erotic role-play, and we explore the strange, intense, and romantic domestic

relationship that springs up between mothers and nannies—two heterosexual women trapped together in a homoerotic triangulation of need and desire. In a titillating climax we revel in the sexual maternal as embodied through performance art, poetry, installations, and comedy, disrupting queer readings of bodies as we are invited to both fuck, and fuck with, the maternal. This book boldly provides both a challenge to the patriarchal constraints of motherhood and a racy road-map escape route out of the sexual-maternal dichotomy.

SPIN Aug 11 2021 From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

Sexual Pedagogies Jul 30 2020 Understandings of sexuality and sex education have changed dramatically, and in this collection, the authors explore the various texts that were used to teach, to entertain, to sanction and to form a sexual standard for a nation. According to Nelson and Martin, these include a puberty education, sermons on abstinence, medical writings promoting sexual fulfillment, Hollywood comedies about sexual coming of age and picture books validating homosexuality. The essays included here are designed to illustrate the many responses that Anglophone culture has had to such texts for over a century.

How to Be a Middle-Aged Babe Jun 21 2022 Shares tongue-in-cheek advice for women on how to balance the pursuit of attractiveness with the challenges of the real world throughout midlife, sharing irreverent coverage of a range of topics, from cosmetic surgery and sex to health and fashion.

Confessions of Sexual Mania Sep 19 2019 Sunny Jim was the love child of doting parents. Exceptionally bright, he was twice promoted to a higher grade level. Among older, more sexually aware boys, he was teased for his ignorance of sex. Sunny made it his goal to learn more than the older boys. At age nineteen, Sunny became employed by Ma Bell of Canada, choosing that job because of all the female telephone operators. On his first day at a suburban telephone station, the chief operator invited herself to be his weekend companion. The chief operator used Sunny for sexual experimentation, then tricked him into donating a dowry for her daughter's wedding. Sunny married twice, but marriage didn't keep him from seeking sex with other women. A special thrill for Sunny was the Christmas he spent with a countess who wanted him as her consort, an ex-sister-in-law who had issued an open invitation to share her bed, Sunny's wife, and an orphan he had trained in sexual arts. Sunny invented a method of sending a cardiogram by telephone, but couldn't have invented a stranger life than his own. Though his love died with his beloved Mindy, Sunny became the love of a homeless and unattractive woman's life.

SPIN Jan 04 2021 From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. For Girls Only Jul 22 2022 For Girls Only examines research and public policy regarding single-sex schooling, especially girls-only classes in public,

coeducational schools. Since the passage of Title IX in 1972, which calls for equal access and participation regardless of gender, educators have attempted to address gender equity issues in schools. Current research on the progress of female students in U.S. public schools suggests that efforts have not sufficiently addressed concerns such as academic under-achievement in the areas of math and science, lower self-esteem from the advent of early adolescence, and vulnerability to sexual harassment. Despite Title IX, some educators have turned to the creation of single-sex classes and programs for female students in order to better address these critical issues. This book examines the longitudinal results of one study, reviews other research, and considers policy implications in conflict with Title IX. Janice L. Streitmatter is Associate Professor of Educational Psychology and Associate Dean of the College of Education at the University of Arizona, Tucson. She is the author of *Toward Gender Equity in the Classroom: Everyday Teachers' Beliefs and Practices*, also published by SUNY Press.

Girls Gone Skank Oct 13 2021 Instead of advancing women's social and professional empowerment, popular culture trends appear to be backsliding into the blatant sexual exploitation of women and girls at younger and younger ages. This study investigates the effects of mass marketed sexual images and cultural trends on the behaviors and attitudes of young girls and describes many ways in which young girls are increasingly taught to go to outrageous lengths in seeking male attention. Topics include the powerful effects of cultural phenomena such as revealing fashions, plastic surgery, and beauty pageants in influencing teen and preteen girls to willingly participate in and promote their own sexualization. These chapters also explore other cultural factors contributing to this early sexualization of young girls, including absentee parenting and material overindulgence. Later chapters focus on the sexual representations of females in the mass entertainment media, focusing specifically on how popular magazines, television programs, films, and the Internet prey upon, promote, and reinforce young girls' physical and sexual insecurities.

Out of the Mouths of Babes Dec 03 2020 The 1920s saw one of the most striking revolutions in manners and morals to have marked North American society, affecting almost every aspect of life, from dress and drink to sex and salvation. Protestant Christianity was being torn apart by a heated controversy between traditionalists and the modernists, as they sought to determine how much their beliefs and practices should be altered by scientific study and more secular attitudes. Out of the controversy arose the Fundamentalist movement, which has become a powerful force in twentieth-century America. During this decade, hundreds (and perhaps thousands) of young girl preachers, some not even school age, joined the conservative Christian cause, proclaiming traditional values and condemning modern experiments with the new morality. Some of the girls drew crowds into the thousands. But the stage these girls gained went far beyond the revivalist platform. The girl evangelist phenomenon was recognized in the wider society as well, and the contrast to the flapper worked well for the press and the public. Girl evangelists stood out as the counter-type of the flapper, who had come to define the modern girl. The striking contrast these girls offered to the racy flapper and to modern culture generally made girl evangelists a convenient and effective tool for conservative and revivalist Christianity, a tool which was used by their adherents in the clash

of cultures that marked the 1920s.

Neoliberalism and Globalization in Africa Mar 18 2022 This book looks at Africa's involvement in contemporary neoliberal globalization, paying particular attention to the social, economic, political, and cultural cost of the unbalanced structure of global wealth and power between Africa and the rest of the world.

Sex and Race, Volume 2 Nov 14 2021 In the Sex and Race series, first published in the 1940s, historian Joel Augustus Rogers questioned the concept of race, the origins of racial differentiation, and the root of the "color problem." Rogers surmised that a large percentage of ethnic differences are the result of sociological factors and in these volumes he gathered what he called "the bran of history"—the uncollected, unexamined history of black people—in the hope that these neglected parts of history would become part of the mainstream body of Western history. Drawing on a vast amount of research, Rogers was attempting to point out the absurdity of racial divisions. Indeed his belief in one race—humanity—precluded the idea of several different ethnic races. The series marshals the data he had collected as evidence to prove his underlying humanistic thesis: that people were one large family without racial boundaries. Self-trained and self-published, Rogers and his work were immensely popular and influential during his day, even cited by Malcolm X. The books are presented here in their original editions.

Working Girls Jun 09 2021 Working Girls offers a series of case-studies designed to provide a feminist investigation of the thematic concerns and discursive formations of the contemporary Hollywood cinema.

Betrayal of a Nation Feb 05 2021 I wish I would have read some summary in other books. I want only to glorify God in what I'm saying, but I don't want to offend anyone, but how can I offend anyone if this is the unadulterated truth. My statement is "Oh all each nations, How God lone to make your children and children children blessed, but the world would rather kill the prophets that only told the truth, leaving only judgement on those that deny the truth"(Matt. 23:37).

Sugar Cane Babe Feb 17 2022 A rare blend of sex, witchcraft and madness... Simon Greene has disappeared into the neon mist of Angeles City. Set up and arrested in the infamous go-go and sex zone on Field's, amid crazed hookers, police raids and thuggish locals. His cousin, Henry Greene, forced into retirement from his police job, persuaded against his better instincts to rush to his rescue. Henry soon convinced that the neon paradise is actually a kind of hell on earth. Marie a Filipina go-go dancer with a twist of evil in her soul and a smile that often caused the customers to fight over her. She's got her talons into Simon, with a little help from the local shaman, thinks she is into the big money. Then there's... then there's a mad tale of Angeles City as it shuffles through it last days of neon madness and insanity.

Is it time for Kitty to roll the dice and hope that she can be as lucky in love as she is in Bunco?

Sonny Babe Ain'T No Monkey Apr 19 2022 This writing is to prove to SONNY BABE AINT no monkey, as the main character of this writing, also; information about the first ten blacks and a quantity of gold given to a Portuguese officer in exchange for some returned Moors. These blacks was the beginning of the MODERAN DAY SLAVERY of Negro slavery lasted until the writing of the 13th Amendment by President Abraham Lincoln and ratified December 6, 1865. (WMT) weapons of mass terror, that have terrorized the Blacks ever since. Good reading especially for the younger generation.

Respect Yourself, Protect Yourself Aug 23 2022 While Latina girls have high teen birth rates and are at increasing risk for contracting sexually transmitted infections, their sexual lives are much more complex than the negative stereotypes of them as "helpless" or "risky" (or worse) suggest. In *Respect Yourself, Protect Yourself*, Lorena Garcia examines how Latina girls negotiate their emerging sexual identities and attempt to create positive sexual experiences for themselves. Through a focus on their sexual agency, Garcia demonstrates that Latina girls' experiences with sexism, racism, homophobia and socioeconomic marginality inform how they engage and begin to rework their meanings and processes of gender and sexuality, emphasizing how Latina youth themselves understand their sexuality, particularly how they conceptualize and approach sexual safety and pleasure. At a time of controversy over the appropriate role of sex education in schools, *Respect Yourself, Protect Yourself*, provides a rare look and an important understanding of the sexual lives of a traditionally marginalized group.

Jinxed Trait, Familial? Jun 16 2019

Girls of Color, Sexuality, and Sex Education Jan 24 2020 This book takes a close look at how girls of color think, talk, and learn about sex and sexual ethics, how they navigate their developing sexuality through cultural stereotypes about sex and body image, and how they negotiate their sexual learning within a co-ed sex education classroom. While girls of color are often pictured as at risk or engaged in risky behavior, the analyses of focus groups and classroom discussions, show not only girls' vulnerabilities but their strengths as they work with integrating diverse identities, media messages, school policy and history into their understanding of the sexual world they are exposed to and a part of.

Et Tu, Babe Jul 10 2021 In this fiendishly original new novel, Mark Leyner is a leather-blazer-wearing, Piranha 793-driving, narcotic-guzzling monster who has potential rivals eliminated by his bionically enhanced bodyguards, has his internal organs tattooed, and eavesdrops on the erotic fantasies of Victoria's Secret models -- which naturally revolve around him. Leyner's jet-propelled roller derby through the cultures of celebrity, cyberpunk, and rabid egotism is exhilaratingly bizarre, exhaustingly funny -- and you'd better hope it's just fiction.

Globalization and Socio-Cultural Processes in Contemporary Africa Jan 16 2022 In different but complementary ways, the chapters in this collection provide a deeper understanding of socio-cultural processes in various parts of the African continent. They do so in the context of contemporary mediated processes of globalization, and emphasize the agency of Africans.

Schooling Sexualities May 08 2021 *Schooling Sexualities* brings together contemporary debate about sexuality with the study of schooling. The book looks closely at the production of sexual identities at school and argues that sexuality is intrinsic to the formation of individual and group identities in schools. It explores not only the formal sexual curriculum but the sexual cultures of both teachers and students. Essential reading for teachers concerned with sexual education.

For Girls Only May 20 2022 Current research on the progress of female students in U.S. public schools suggests that efforts have not sufficiently addressed concerns such as academic under-achievement in the areas of math and science, lower self-esteem from the advent of early adolescence, and vulnerability to sexual harassment. Despite Title IX, some educators have turned to the creation of single-sex classes and programs for female students in order to better address these critical issues.
